

Food Bank

We would like to take this opportunity to thank all those who donated every week toward the Food Bank. By buying items each week, you are effectively donating a full hamper to a person/family by the end of the year. I can assure you, that these are very gratefully received, and most definitely meet the need in some very difficult situations, be it financial, family break-ups, deaths, the sick or even those who just need to know we care.

*Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy, in thy land.
Deuteronomy 15:11*

Please see some photos of the provision you made previously and accept our thanks, as this would never be achieved without your help.

The Food Bank is in operation again this year. If you'd like to help, then throughout the year buy the items from this list and drop them in the containers at the front doors of the church. Thanks to everyone who continues to support this work!
